Dear Sir,

INSTALLATION OF STREET BULBS

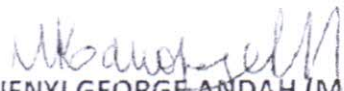

I write to bring to your attention that I have secured a number of street bulbs for distribution to communities in the district.

I would be grateful if the assembly can ensure the installation of Hundred (160) street bulbs on the principal streets of Senya Beraku, Awutu Beraku, Bawjiase and neighbouring towns.

Find attached a list of communities and their respective proposed allocations for your perusal.

Counting on your usual cooperation.

Best regards,

NENYI GEORGE ANDAH (MP)
